FOR IMMEDIATE RELEASE

EDITION NO. 2

ROQUE ART + DESIGN RETURNS TO MIAMI BEACH FOR ITS SECOND EDITION DURING MIAMI ART WEEK, NOVEMBER 30 – DECEMBER 6, 2026

THEN AND NOW… ALWAYS

What matters most has never been new. It asks only that we stop long enough to notice.

Following its debut during Miami Art Week 2025, ROQUE Art + Design returns for its second edition, bringing together an intimate collective of artists and designers.

The exhibition presents a considered selection of original and limited-edition artwork, furniture, lighting, and objects, exploring the relationships between material, form, process, and function.

Each work reflects a distinct creative perspective, acknowledging the hand of the maker and the often-unseen time and labor behind its creation.

“ROQUE exists to remind us that meaning can be made — and felt — through the tangible. That we create not to fill space, but to shape experience. To live with art, not around it. To rediscover the human within the object,” said Vivian Carbonell. “This space is a reflection of that vision. ROQUE resists the ordinary, inviting a slower kind of attention.”
